Mr. Robert J. Mulligan  
Vice Chairman  
Woodward and Lothrop  
Washington, D.C. 20013

Dear Mr. Mulligan:

After my discussion with your secretary Ms. Thorn, we now realize that the selected St. John's University group of seniors sponsored by the Washington D.C. Area Alumni Chapter will not be visiting the Central Intelligence Agency this year.

We enjoyed briefing the 1982 group last October and hope to be of help to you in the future. Please feel welcome to call on us anytime we can be of assistance.

Sincerely,
